

The following features are incorporated into your stand package:

Stand Size

The stand will be 3000 x 3000mm in size and overall height of the stand is 2500mm.

Floor Treatment

The floor will be black carpet.

Walls

The walls of the shell scheme will be finished in 3mm thick laminated infill panels, with matt finished anodized framework. The colour of the panels will be white.

Company Name & Stand Number

The company name and stand number will be a digital print fascia board with company names and numbers. Each sign will be digitally printed with a maximum of 25 titles characters including spaces. All fascia boards are to remain exactly the same design.

Lighting and Power

Each stand is provided with two spot lights per 9sqm. There is **NO** power included in your shell scheme stand.

Additions

Additions to the Shell Scheme may be ordered direct from the official Shell Scheme contractor - Exponet on esd@exponet.com.au or 02 9645 7070.

Items allowed on walls

When attaching anything to walls exhibitor are asked to only use Velcro tape, bluetac, double sided adhesive tape, or wall mounted shelving and slat walls with hooks.

Items not allowed on walls

Please do not use pins, staples, screws, bolts, glue or paint, as these cause permanent damage to the panels. Charges will apply for all damage to the wall panels.
