Long Version

We're exhibiting at Integrate 2026 and would love to see you there.

Integrate is Australia's leading Pro AV and integrated technology event, bringing together 120+ suppliers showcasing the newest products and solutions across 10 technology zones. From audio and control systems to UCC, digital signage, broadcast AV, smart building solutions and entertainment technology, the show floor is packed with hands-on demonstrations and the latest innovations.

It's a great opportunity to compare technology side by side, talk directly to the people behind it and explore ideas for your next project.

Come and visit us on the show floor, 2–4 September at ICC Sydney. Register to attend at integrate-expo.com
